***Pump Boys and Dinettes*, A Rock n' Roll - Country & Blues Musical Revue comes to the San Fernando Valley Playhouse at the El Portal Theatre in North Hollywood for two weeks of fun and games November 9-20.**

It is the type of show that feeds off the energy and pleasure of the audience, celebrating life and love in a small,southern town. It doesn't take long once the show begins, to find yourself laughing along with four guys who pump gas and two dals who run the diner across Highway 57.

In its debut on Broadway in 1982 , it was Tony nominated and received four Drama Desk nominations including best musical.

After Broadway and 573 performances the show toured to Chicago and Los Angeles and transferred sucessfully to London's West End in 1983, in and the West End this musical tribute to life by the roadside keeps audiences smiling and singing.

100 swift and painless minutes, the ethos is warm, nostalgic, romantic and celebratory of the blue-collar work ethic."
